

# Team Meeting-12

**31 MARCH 2021** / 04:30 PM / ZOOM CONFERENCE ROOM

## Attendees

Samarth, Priyank, Parth, Harsh, Kishan, Preyanshu, Dhruv, Yugam

## Agenda

Finalize the designs of the web pages

## Notes

### Meeting Details

1. Goal
  - To Finalize the designs of web pages and start the development phase.
2. Discussion
  - Discuss about the designs of web pages
    - Shared by the team members before meeting
  - Final Designs would be selected based on majority vote.

## Action Items

1. Discussion
  - We have discussed about the gathered designs by brainstorming these questions:
    - How attractive and user friendly are the designs?
    - How simple are the designs?
    - Are they easy to understand by the end-user?
    - Will it be feasible to develop in the available time?
    - Is it following the design rules and principles of software engineering?
  - We have voted for the designs after discussion and designs with majority votes for every web page have been selected as final designs.

## 2. Conclusion

- At the end of the meeting, we have finalized all the designs of webpages and finished the design phase of the project.

## Next Meeting Agenda

Discuss and divide feature development
